## STUDY BUDDIES

The objective of the Study Buddy ministry is to develop caring relationships between our elementary school students and “Triple A Adults”.

Our Study Buddies meet each Wednesday during the school year from 4:30 until 5:15.

The instructions below are from our adult buddy orientation.

Meet your student at 4:30PM. (earlier if you are available and coordinate with the parents)

The Study Rooms will be: workroom, library, middle school room. We need to have a minimum of two pairs in each room.

Begin with these or similar questions:

*“Tell me about something good that happened today.”*

*“Tell me about something that wasn’t so good that happened today.”*

Care-fully listen.

Work on homework, reading...

Read a Bible story and discuss questions.

Another option can be to help the student memorize a Bible story.

You may close your time together with a prayer – about their day, the Bible story, your friendship ...

Return your student to his/her parent between 5:10 and 5:15 PM

Supper will be served at 5:15PM. You are welcome to eat supper with your buddy and his/her family.
