

Caring Conversations

The Christian faith is transmitted from generation to generation through **personal, trusted relationships that share the stories of the family, the faith, and the Bible.** The Holy Spirit works through these relationships, stories, and the conversations that give substance to them, blessing those involved with the gift of FAITH.

Caring conversations express an interest in others, their hurts, their joys, their concerns and dreams, their values and faith. Caring conversation requires time to be available to listen and to speak. Mt. Olive wants to take on an active role in encouraging your family to identify the holy ground of your lives where precious, caring conversations take place and where lives are strengthened and nurtured by the love and mercy of God through the support, guidance and genuine interest of others.

THE KEY IS ■ ■ ■ Take time to TALK, LISTEN
LAUGH and HOPE with someone you CARE about.
