

The Family Table Devos

"Families practicing the presence of God with the Word of God on the week of May 30th"

*Have you ever kept a secret from someone?
Share it! (If it's not still a secret anymore!)*

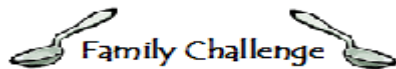

1. What would the Spirit of truth do for Jesus' disciples?
2. How would the Spirit bring Jesus glory?
3. If you were one of Jesus' disciples, how would you feel when He left?

BIBLE FOCUS John 16:12-15

12 "I have much more to say to you, more than you can now bear. 13 But when he, the Spirit of truth, comes, he will guide you into all truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come. 14 He will bring glory to me by taking from what is mine and making it known to you. 15 All that belongs to the Father is mine. That is why I said the Spirit will take from what is mine and make it known to you.

**THE WORD OF THE LORD!
THANKS BE TO GOD!**

At some point this week, play a game with your family! You might try playing a game called spoons. For this game you'll need 2 decks of cards and – like musical chairs – one less spoon than the number of people you have. For this game, the dealer should deal each player four cards from the shuffled two decks of cards. Then the dealer should set the stack of cards in front of him or her. The goal is to get four of a kind. Each person may only have four cards in his hand at a time. The dealer begins by picking up a card from the stack and deciding whether to keep it and discard a card in his hand OR to simply discard it. All discarded cards are passed to the person to the dealer's left. The next person picks up the card and decides to keep it or not; then he passes it to the next person. When you have four of a kind, you must grab a spoon. HOWEVER, if you see someone else grab a spoon – even if you don't have four of a kind – you should try to grab a spoon too! The object of the game is to have a spoon! Whenever you are the player left without a spoon, then you get an "F" for the word FAMILY. The second time you are left without a spoon, you get an "A" and so on and so forth.
